M a d r a s.

Sir,

I enclose two copies of the emergency orders passed by me under section 144 Cr.P.C. on 24-6-1930 and 1-7-1930 in connexion with the Civil Disobedience Movement in this District.

2. Although the period of two months allowed under the section is drawing to a close, matters have not yet -- settled down to the normal condition and there were actually demonstrations and picketting of bidders at the recent -- toddy shop sales. Information has also been received that secret meetings are being held to start regular campaigns of picketting liquor shops, organise meetings and hold other demonstrations in sympathy with or in furtherance of the --

Civil Disobedience Movement which is likely to lead to disturbance of public tranquillity. I. therefore, consider it necessary to extend the period of the orders issued by me for a further period of two months and accordingly request that Government may be -- pleased to extend the operation of the two orders for a further period of two months from the respective dates of their expiry.

Your obedient servant

Dt. Magistrate.
